

The Inside Job

Episode 6 | Return on Investment

**Get into God's word. In the words of Arthur Ashe,
"Start where you are, use what you have, do what you can."**

If you have a dedicated time where you read the word, try making meaning of what you read using the SOAP method. If reading the word is a new or infrequent activity for you, consider teaming up with a close friend or family member to read and study together- you can SOAP together.

S - Scripture

Physically write out the scripture.....you'll be amazed that what God will reveal to you just by taking the time to slow down and actually write out what you are reading!

O - Observation

What do you notice in the verses that you're reading? Who is the audience? Is there a repetition of words? What words stand out to you?

A - Application

This is when God's Word becomes personal. What is God saying to me today? How can I apply what I read to my life?

P - Prayer

Pray God's Word back to Him. If He has revealed something to you during this time in His Word, pray about it. Confess if He has revealed some sin that is in your life.
